

DYKEM® BRITE-MARK® Fine Marker

The **BRITE-MARK® Fine Marker** may look small, but it is designed for the industrial environment. The fine tip allows for easy labeling of small parts and the matching clip cap makes it convenient to carry with you. **DYKEM® BRITE-MARK®** is a general purpose permanent marker ideal for making clear, bold markings on almost any surface. Its quick drying, oil-based paint withstands indoor and outdoor conditions without fading, chipping or losing its opacity. **DYKEM® BRITE-MARK®** can be used to permanently identify inventory, assemblies, tools, finished products or work-in-progress while resisting most work related abuses or compounds.

- Make permanent bright marks on metal, rubber, plastic, glass, concrete, leather, stone, wood, vinyl and more
- Valve-actuated mechanism prevents paint in barrel from drying when cap is left off
- Heavy-duty aluminum body with large paint capacity
- Ideal for color coding
- Bullet tips are replaceable to ensure complete use of paint in each marker
- Drying Time: 25-35 seconds
- Formula is not xylene-based
