

DYKEM® SUDZ OFF® 44

- Ideal for quality control
- Interchangeable and replaceable tips make the pen more practical and long lasting
- No “ghosting” occurs when removed with detergent
- Drying Time: 15 - 20 seconds

DYKEM® SUDZ OFF® 44 Markers are perfect for temporary writing on non-treated, non-painted metal surfaces which require ink that is water resistant. Marks can be removed with detergents with a pH of 10 or higher. The **DYKEM® SUDZ OFF® 44** features a screw cap and a threaded end that can be screwed into a jig or apparatus for a continuous identification application.
